A photograph of a wooden pier or dock extending from the bottom left towards the center of the frame. The pier is made of weathered wooden planks. Beyond the pier is a body of water with small, dark ripples. The overall color palette is dominated by the warm browns of the wood and the deep blues of the water.

The background is a dark, starry space. A hand is shown from the wrist up, reaching upwards with the index finger pointing towards the center. Three concentric circles are centered on the hand: a thin light blue outer circle, a medium dark blue middle circle, and a solid teal inner circle. The text 'Data Analyze' is centered within the teal circle.
